LOCAL EXPERTISE ACROSS ALL THE MAJOR NORTHERN CITIES.

WHY CHOOSE NORTH PROPERTY GROUP?

- Existing managed properties in all the major Northern cities.
- Extensive knowledge of each city.
- We don't 'do' empty properties. We work extremely hard through a process with starts 10 weeks ahead of tenancy expiry, to ensure that we are in control. Since incorporation we have managed to maintain an occupancy rate in our portfolio of over 99%.
- We constantly look to maximise the returns for our investors by achieving the very best possible rent. We work hard to ensure that rents are at a high level and other agents follow our lead.
- We employ a firm approach to rent collection – our arrears list is consistently below 1% of the rent roll – which is one of the lowest in the country.

EXPERTISE SECOND TO NONE

North Property Group have a solid footprint in all the major Northern cities of the UK. Our team have a hands on approach and understand the market conditions in each location down to the very tiniest of details; we know the achievable rents in the different parts of the cities, the regeneration happening in each area, the demand for either furnished or unfurnished properties, if parking is essential, the level of specification required and much more.

FAQS

Q: Will I need a furniture package?

9 out of 10 tenants are looking for fully furnished properties. Whilst furnishing your unit is optional, it's highly recommended to optimize rental income and expedite the tenancing process. If you choose to leave your property unfurnished, you will need to purchase window dressings as a minimum. We source reliable furniture suppliers who will provide bespoke packages to compliment the look and feel of the apartment. The quote is to fully furnish your unit by our appointed interior design installation team to give your unit that edge to attain the optimum rental income and high-quality professional tenants.

Q: Can I approve the tenant?

The normal process is for our office to show the units to potential tenants, once an application is made the details are sent to you. A financial reference check is carried out by an independent credit referencing agency to ensure the tenant's suitability for the tenancy.

Q: How will you make sure the tenants look after my property?

A photographic inventory of the property is taken when the tenants move in and again at the end of the tenancy. A deposit is taken from the tenants and if any damage aside from normal wear and tear is recorded a deduction from the deposit will be made. This process is governed by the government introduced Tenancy Deposit Scheme which protects both landlords and tenants.

Q: How often are the tenants and the building checked?

We conduct a photographic inspection every 4 months – this ensures the tenants are respectful and keep your property in good working order. If we find during the inspection that the tenants are keeping the property in disrepair, we can send them a letter advising that they need to improve the condition of the property. If the condition does not improve you can consider serving notice on the tenant and re-letting it to someone new.

14. ENERGY PERFORMANCE CERTIFICATE (“EPC”)

An EPC must be provided to all prospective purchasers when your Property is marketed prior to the first viewing and with any written details. We can prepare an EPC on your behalf but at your expense or you can provide us with an EPC before marketing commences. We will prepare the EPC/arrange for the preparation of an EPC on your behalf. By signing this Agreement you become liable for and must pay us a fee of £85 exclusive of VAT for the provision of an EPC. On payment of our fee and the provision of the EPC, the ownership of the EPC will belong to you. We will send you an invoice for the cost of preparation of the EPC inclusive of VAT. The fee is payable within 7 days of the date of the invoice without set-off, deduction or counter-claim.
